I do not know the Attorneys assigned but you are correct on the Enforcement officers.

Okay. I was almost finished with the FJ Doyle AM when Susan said to wait for your updates. I will need the site attorney names if you have them. I believe FJ Doyle's Enforcement Officer is David Eppler and Henrietta's Enforcement Officer is Lance Nixon. Is that correct?

Thank you,

Jo

Jo:

I updated these AMs based upon Susans emails. I hope you have not reworked these as of yet. I think I did a pretty good job of formatting but if you could check, please let me know. Please check the format, and route for review and concurrence.

Thank you much
